

DESCRIPTION OF REQUIREMENTS

The United Nations Office at Nairobi (UNON), on behalf of United Nations Environment Programme (UNEP) invites qualified interested firms to submit Expression of Interest (EOI) to participate in the upcoming solicitation for provision of services related to the development of analysis and inputs for a GEF project proposal development under the project "Enabling the transition to a Zero Emission Transport Sector in Palau.

United Nations Environment Programme (UNEP) requires the services of an institution to deliver the technical assistance. The overall objective of UNEP's Climate Change Division (CCD) is to deliver effective strategic guidance and high-impact action in support of the transition towards climate stability. Its work is guided by ambition, innovation, credible science, and alignment with global climate goals and needs of individual countries. The Climate Change Division works with Members States and Partners to accelerate and support a just transition by addressing climate change mitigation and adaptation through enhancing implementation capacity, provision of data information and knowledge, access to finance and technology, and building resilience. It promotes sustainable development and effective policies for climate stability; supports action so that countries progress on decarbonization, dematerialization, and resilience pathways in line with their climate commitments, aspirations, and needs; and fosters transparency in reporting.

Some of the expected outcome, outputs and activities are;

- Promote the decarbonization of Palau's transport sector through enhanced coordination, policies, regulations and technical standards.
- Showcase the use of e-mobility through pilot/pilots to create awareness and familiarity of key actors to the viability of options based on defined criteria.
- Development of a GCF concept note for one business model overall
- Capacity building and awareness

VENDOR RESPONSE

NOTICE

Companies can only participate in solicitations of the UN Secretariat after completing their registration (free of charge) at the United Nations Global Marketplace (www.ungm.org).

As you express interest in the planned solicitation by submitting this response form, please verify that your company is registered under its **full legal** name on the United Nations Global Marketplace (www.ungm.org) and that your application has been submitted to the **UN Secretariat**.

While companies can participate in solicitations after completion of registration at Basic Level, we strongly recommend all companies to register at least at **Level 1** under the United Nations Secretariat prior to participating in any solicitations.

Companies are reminded of the restrictions of employment of former UN personnel that were involved in the procurement process during their last three years of service as per [ST/SGB/2006/15](#), including (a) employing those personnel for one year after separation of service and (b) allowing those personnel to communicate with, or appear before, active UN personnel for matters related to the procurement process for two years after separation of service. Violation of the provisions of ST/SGB/2006/15 may lead to suspension of the registration 05600739rf 19that Glo4
