

THE ISSUES
RECOMMENDATIONS ON THE SUMMIT FOR ADDRESSING LARGE MOVEMENTS OF REFUGEES AND MIGRANTS

Women's Refugee Com

gender equality and women's

women's participation

Emphasize the life-saving importance of access to comprehensive reproductive health services

Make an explicit, detailed commitment to protect all displaced women and girls from gender-based violence, while in transit and upon reaching their destinations.

—

Support expansion of legal and safe employment opportunities that leverage the capacity of refugee women and youth to sustain and protect themselves and their families.
