

Global Migration Group Side Event In Contribution to

Objective

The objective of this side event is to highlight the importance of development approaches in conjunction with humanitarian responses to address large movements of refugees and migrants at both local and national levels. The side event aims to provide concrete examples of support provided by the UN system to national counterparts at regional, country and local levels. In doing so, the event aims to contribute to the UN Summit for Refugees and Migrants, to be hosted on 19 September 2016. Key recommendations from the event will feed into the various Summit Round Table discussions to address the implications of the Summit outcomes for future work.
