Your Excellencies Heads of States and Governments,  
H.E Ban Ki Moon UN Secretary General,  
Distinguished Ladies and Gentlemen

1. Currently, Uganda is experiencing an unforeseen influx of South Sudanese refugees into the country, having received over 120,000 since the beginning of July alone. Add this to the current population and the continuing influxes from

place and strong partnerships transcending the humanitarian-development divide.

40. Heads will continue to ensure the rights of women

includes:

and Burundi

### 10.16 The Uganda Government

The Uganda Government has been a major proponent of the concept of a national development bank. It has been instrumental in the establishment of the Uganda Development Bank (UDB) in 1991. The UDB was established as a public corporation to provide long-term financing for the private sector and to support the government's development objectives. The bank's capital is provided by the government, and it has since been instrumental in financing various infrastructure and industrial projects.

#### THE UGANDA DEVELOPMENT BANK

The UDB was established in 1991 as a public corporation. Its primary objective is to provide long-term financing for the private sector and to support the government's development objectives. The bank's capital is provided by the government, and it has since been instrumental in financing various infrastructure and industrial projects. The bank's operations are governed by the Uganda Development Bank Act, which provides for the bank's structure, functions, and powers.

The UDB has been instrumental in financing various infrastructure and industrial projects. It has provided financing for the construction of roads, bridges, and other infrastructure projects. It has also provided financing for the establishment and expansion of various industrial enterprises. The bank's financing has been instrumental in promoting economic growth and development in Uganda.

The UDB has also been instrumental in providing financing for the private sector. It has provided financing for the establishment and expansion of various private enterprises. The bank's financing has been instrumental in promoting private sector growth and development in Uganda. The bank's operations are governed by the Uganda Development Bank Act, which provides for the bank's structure, functions, and powers.

The UDB has been instrumental in providing financing for the private sector. It has provided financing for the establishment and expansion of various private enterprises. The bank's financing has been instrumental in promoting private sector growth and development in Uganda. The bank's operations are governed by the Uganda Development Bank Act, which provides for the bank's structure, functions, and powers.
