Mr. Chairman,

India would like to thank Mr. Pavel Sturma (Czech Republic) Special Rapporteur
Committee on the third Report on "Succession of States in respect of State

Mr. Chairman,

4. Similarly Draft Article 14 also refers to a situation of seeking reparation from responsible State in case of dissolution of States. However, such claims for reparations are expected to take into consideration the link between the consequences of acts and the nationals of successor States on the basis of equitable proportion. Here, my Delegation

secondary source. Instead, we suggest considering the term "supplementary source" to qualify the sources of general principles of law.

8 The *travaux préparatoires* of Article 38 of the Statute of the Permanent Court of

International Justice may suggest that the inclusion of general principles of law as a
