Mr. Chairman,

My delegation congratulates you and other members of the Bureau on your election. I assure you of the full cooperation and support of the [redacted] during the proceedings of this Committee

We thank the Secretary General for his report A/74/151 on

"Measures to eliminate international terrorism". The report includes useful information on measures taken at the national and international levels

Mr. Chairman,

6 Terrorism is a challenge for mankind, not just any one country or

region. Those who believe in humanity should join together to tackle terrorism. The international community needs to adopt and implement a

~~policy of non-tolerance towards terrorists~~

7 No state is immune to the threat of terrorism as continuing terrorist

acted through exploitation of modern technologies and funding arms and

10. The only effective way to tackle an international threat like terrorism is by way of genuine collaboration among the States. We strongly believe that terrorism can be countered by combined international efforts and that the UN is best suited for developing this transnational effort. However, the

13. We support concerted international cooperation and efforts by way of extradition, prosecution, information exchange, and capacity building. The major UN instruments relating to specific terrorist activities remain

4. It is of the firm belief that a Comprehensive Convention against

terrorist financing and UN needs to increase cooperation with such bodies.

Member States have provided direct or indirect financial assistance given to
