16.

- a. The application is time-barred because the applicant did not respect the time limit set in the then staff rule 111.2;
- b. The applicant provides no evidence of an exceptional circumstance that might justify the waiving of the time limit.

### Judgment

30. The Tribunal considers that there is no need for an

mentioned decision on 27 April 2004 and received written confirmation of it on 15 November 2004, failed to comply with the two-month time limit set in staff rule 111.2 (a). The request was therefore late.
