

Facilitation of the

## 2. THE WORKSHOP

### 2.1 Specific objectives

- i. Socialize the template adopted by the UNFPA in relation to the Monitoring, Evaluation and Reporting of Progress in the Implementation of the United Nations Strategic Plan for Forests 2017-2030
- ii. Evaluate the availability of information at national and international level, as requirements on biophysical and socioeconomic indicators

At the end of the workshop, the following results are expected:

- a) Knowledge and understanding of the content and use of the template adopted by the UNFF, based on a practical exercise
- b) Balance of information availability and biophysical and socioeconomic indicators for PLNFFS and international level reports

### 2.2 Participants

The meeting was attended by a total of 36 participants, 18 of them were regional forest and Wild life authorities, 6 staff members of the National Forest Authorities, 6 representants of other public institutions, 4 representatives of bilateral cooperation and the Senior Forest Officer of UNFFS Tomasz Juszczak, and the consultant Jorge Malleux

The workshop was open by the General Director of Forest and Wild life Information, Ms. Rocio Malleux who manifest the acknowledgment of SERFOR for the opportunity tu participate as a pilot in the Monitoring, assessment and reporting on progress towards implementing the United Nations strategic plan for forests, 2017 2030. She also informed the participants about the progress that SERFOR is doing towards the contribution to the Global Forest Goals and the Objectives r wj12 1 sFipanwledgeS(m)-staeW\*:at 59.32 8p 0 59.341.9 r 0.00000ic wledgeU0.0in1thorities,eI04 656
