

Counter-Terrorism Committee Executive Directorate (CTED)

Through our assessments and our work in the CTED-initiated *Tech Against Terrorism* public-private partnership, CTED considers all counter-terrorism-related

Dr. Braddock is the Expert Consultant who was commissioned by the Global Compact Working Group on Preventing and Countering Violent Extremism to work on this topic.

He collaborated closely with us to conduct research on effective counter-narratives, and on useful monitoring and evaluation tools in this field.

I am confident his contribution will be a valuable part of the proceedings.

Excellencies, distinguished participants,

Finding the most effective human rights-compliant way to prevent and counter terrorist messaging is an essential part of a comprehensive approach to overcoming the global terrorist threat.

I wish you success in your
