**TENTATIVE FORECAST OF THE PROGRAMME OF WORK OF THE
SECURITY COUNCIL FOR THE MONTH OF JUNE 2023**

For information only/not an official document

This tentative forecast of the programme of work of the Security Council has been prepared by the Secretariat for the President of the Council. The forecast covers in particular those matters that may be taken up during the month pursuant to earlier decisions of the Council. The fact that a matter is or is not included in the forecast carries no implication that it will or will not be taken up during the month: the actual programme of work will be determined by developments and the views of members of the Council.

Resolution [2592 \(2021\)](#) of 30 August 2021

Para. 15: Requests the United Nations, the FGS and FMS to consider the adverse implications of climate change, environmental degradation, other ecological changes and natural disasters, among other factors, in their programmes in Somalia, including by undertaking comprehensive risk assessments and risk management strategies relating to these factors, and requests the Secretary-General to provide an update in mandated reporting as appropriate;

The report of the Secretary-General is expected to be issued in June 2023.
