

**Statement by H.E. Mr. Inam Karimov,  
Minister of Agriculture of the Republic of Azerbaijan  
at the Pre-Summit of the UN Food Systems Summit  
July**

Dear Colleagues,

We should already to come up from strategy to action. Boosted constructive cooperation is the main tool to make our common vision to become true. Azerbaijan, distinguished as a reliable partner is always ready contribute to inception of any effective cooperation.

**At the end I wish success to the work of the pre-summit and feel confident that our combined efforts will have substantial impact to global sustainable food systems.**
