

**STATEMENT ON BEHALF OF THE CELAC
35 SESSION OF THE COMMITTEE ON INFORMATION**

22 April 2013

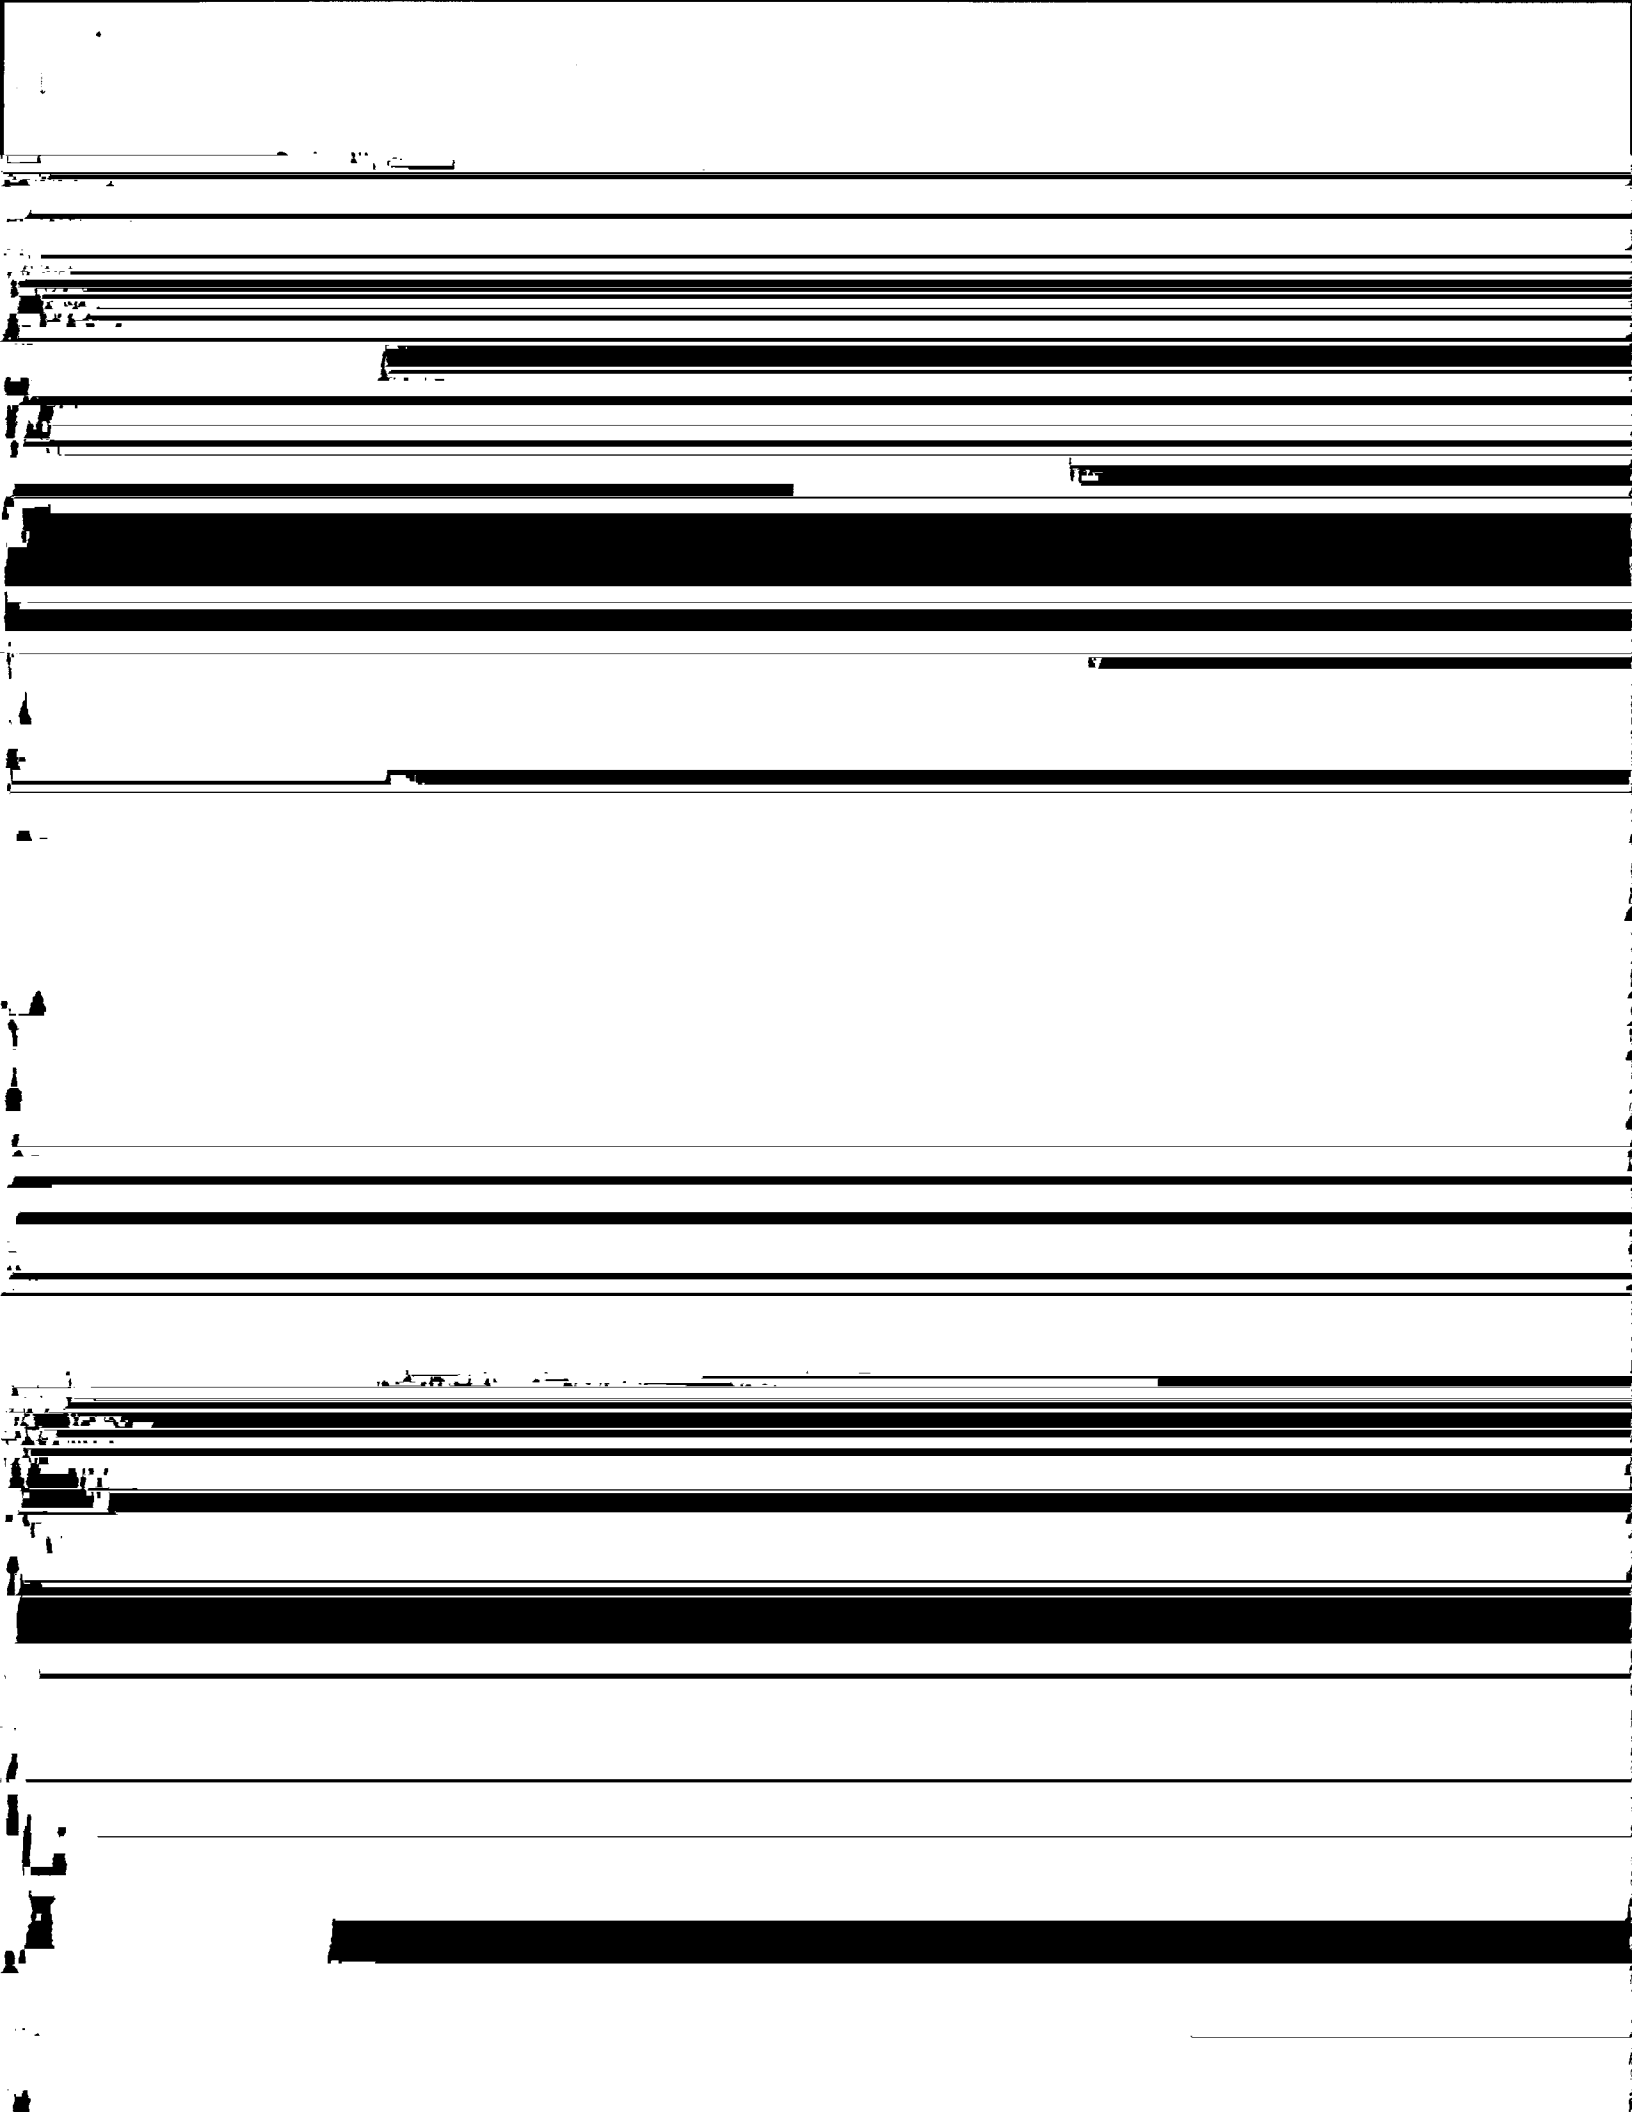

Mr. President,

1. Cuba has the honor to speak on behalf of the Member States of the Community of Latin American and Caribbean States (CELAC). We wish every success to you and the Bureau in the accomplishment of your goals. We express our complete disposition to contribute in a constructive way to the work of the 35th session of the Committee on Information.

Mr. President,

2. The CELAC appreciates the reports presented by the Committee on Information.

5. No doubt that the new information technologies have opened a range of possibilities to human communication. In this regard, the CELAC supports the spontaneity and agility of electronic communication and agrees that is necessary to capitalize the opportunity to expand and improve it.

sharing the limited financial resources through a rotating scheme of languages. Such scheme should be determined on the basis of the statistics held by the Department and those offered by the Secretary-General's

Señor Presidente:

5. Las nuevas tecnologías de la información sin dudas han abierto un abanico de posibilidades a la comunicación humana. En este sentido, la CEFALC apoya

las frecuencias radio-electrónicas sean utilizadas a favor del interés público y de conformidad con los principios del derecho internacional.

9. Saludamos la intensa labor informativa y de promoción desarrollada por el Departamento de Información Pública y los Centros de Información de los

informe que fuera solicitado al DJP en 2012. Insistimos en que no se trata de
