

**U.S. GOVERNMENT REMARKS**

**Leaders Dialogue: Strategic Responses to Terrorist and Violent Extremist  
Narratives**

**23 September 2019**

**16:30-18:00, Conference Room 1, UNHQ**

The United States stands with the international community in condemning terrorist content online in the strongest terms.

We

but constrain growth and  
innovation, and make the Internet less free and less open.
