- ◁ Refer to regional human rights conventions and standards, where they exist; and
- ◁ Provide that no custom, tradition or religious consideration may be invoked to justify “harm-

Legislation should:

- Mandate the training of all religious, customary, community and tribal leaders and, in particular, State-registered preachers and religious officials, to promote women's human rights and denounce violence against women, including "harmful practices".

Legislation should:

- Mandate the training of teachers in primary and secondary schools as well as institutions for further education to promote women's human rights and denounce violence against women, including "harmful practices", as well as to create awareness among teachers of the particular "harmful practices" to which girls at their school may be at risk.

Legislation should:

- Provide for effective sanctions against anyone who condones or participates in any "harmful practices", including religious, customary, community and tribal leaders and health professionals, social service providers and education system employees.

Legislation should establish:

- ◊ A specific offence for dowry-related violence and harassment;
- ◊ A separate offence of "dowry death" in cases where a woman's death is caused by other than normal circumstances, such as burning or bodily injury and it is shown that she had been

Legislation should:

- ⟨ Establish a specific offence for acid attacks;
- ⟨ Criminalize the unlicensed sale of any type of acid;
- ⟨ Regulate the sale of any type of acid; and
- ⟨ Mandate medical personnel to report to police any case of bodily harm caused by acid.

Legislation should:

- ◁ Not allow perpetrators to escape punishment through reaching an agreement with the

- State that a parent or other relative may seek asylum in connection with an attempt to protect a woman or girl from any “harmful practice”; and
- Provide that victims of “harmful practices” are members of a particular social group for the purposes of seeking asylum.
